

# CANDLELIGHT REMEMBRANCE SERVICE

(Live Stream Only)

Tetrick Funeral Homes (Elizabethton and Bluff City) and  
Hathaway-Percy Funeral Home & Cremation Services

MONDAY, NOVEMBER 07, 2022

SERVICE TIME 3:00 PM

We invite you to come join us for a time of remembrance as we live stream our Candlelight Service and pay tribute to your loved one who has passed away this past year.

Reverend Randy Johnson will be providing words of comfort. We will reminisce while we watch a beautiful video listing and honoring each loved one who has gone home. If your family provided a photograph of your loved one at the time of service then that photograph will be in our video. If there was not a photograph provided the video will still display the name of your loved one.

Please come join us online as we reflect, honor, and remember our precious loved ones and the lives they led. You can access the live stream by visiting our website at [www.tetrickfuneralhome.com](http://www.tetrickfuneralhome.com) or [www.hathawaypercy.com](http://www.hathawaypercy.com) and clicking on the Candlelight Remembrance Service 2022 banner.

## *Candlelight Remembrance Service 2022*

"Remember me  
in your heart,  
and in your thoughts.  
Remember the close,  
loving times we shared.  
The times we cried,  
The times we laughed.  
For in these times  
that you gently  
remember me  
....I am not gone.. "

Healing, Renewal,
