“ *I'll always remember our timeless conversations, your vibrant stories and witty sense of humor. You ALWAYS won against me at the Price is Right and Let's Make a Deal. It was a delightful pleasure helping you, grocery shopping and doing odd jobs around the house when days were not the brightest for you. It always ended in laughter and a hug and we always had an adventure on our outings! Petunia and I will miss you dearly. I know the angels carried you into Heaven and that gives me so much comfort. I will always treasure the memories, wind chimes and laughter and hold them close to my heart. Love you, sweet lady*

“ Barbara was a funny woman with a keen wit and was very smart and enjoyable to be around. I was fortunate enough to meet her and Phil when I first joined the rescue squad in Bluff City as a junior member. I met Barbara again at the Highway Patrol office when I took the examination for a special chauffers' license to drive an ambulance and again when I began working with Phil after I too joined the ranks at Sullivan County EMS. As my vocation took me to the State EMS Office, I worked with Barbara again when she went to work for Northeast State Community College.

She was not only a friendly and kind soul, she made most people she liked feel like they were a cherished friend. I miss her and Phil very much, and think of them often to this day even though I hadn't seen Barbara much since Phil's passing.

“ To all of Barbara's family, Barbara was one of the first friends I made when I started working at Northeast State in 1992. She always had a smile on her face and graciously opened her office to me at any time. She loved Don Coleman like he was her own and always supported him as he did her. She was missed by so many after her retirement, staff and students alike. May your hearts feel proud that she was a part of so many peoples lives. My thoughts and prayers are with you. Robin Dice
