“ My friend of many many years has passed. I have known Carl since? It don't seem that long ago, I talked to Carl not long ago, and he done a favor, that was the kind of man he was. I have seen him so many times doing his work, late nights, rain, snow Hot or cold weather. Folks of the area should be very thankful for what Carl and others did as a public service.

He was my friend, a friend I will miss. It's hard to say how nice, funny he was. I will miss him. I didn't know his family but I share my condolences to all.

“ I have to say they were many memories and not just one that Carl had. He was always the kind that put you to tears laughing and he didnt hold back. I like that most about him. Carl was a very hard working man and he took pride in his work. I learned of his passing yesterday from a friend both mine as well Carl's. I will miss the times he came down shared a story and made us laugh. He will be very much missed. He was one of a kind and one of a kinds can't be replaced. To his remaining family I am sorry to hear of the news but pray he went peacefully. May the Lord be with all in this time and ease the moments and replace them with happy thoughts.
