“ Mr. Naile, I am heartbroken for your passing. I never knew you, but you have one heck of a beautiful wife. We have been Facebook Friends for quite awhile, she is the kindest person I know on Facebook. Leonora, thank you for lifting my spirits many times, I love you for it. God Bless You, Love Madeline

“ Though I never got to see Uncle Donald as much as I wanted, those times that we were together raised the spirit and energy of everyone around because of his infectious smile and laugh. I strongly believe with the health limitations removed, he will be present and a part of our everyday lives as a Guardian Angel. I would suggest you pray for his guidance but I think we already know what his answer would be. Hug Dad for me.

With love

Bill Naille
