“ Donna and I have been best friends since we were 16 years old. We were next door neighbors, and just became friends She was like a sister to me. She and I both loved cats and Nascar. We used to love to go shopping for clothes when we were teenagers. She was always such a good friend. I will really miss her. She loved her family and her job at Dawn of Hope. She loved to get parties together for all the clients. She really cared about them. She had a heart of gold. My prayers go out to her family. May God bless you all during this difficult time. Rest in peace with the good Lord above, Donna. You will truly be missed. Sharon Shipley
