

Harold Edward Mullins

September 8, 1954 - March 30, 2020

Harold Edward Mullins, (Moon Pie) of Johnson City, Tennessee passed away suddenly at his residence on Monday, March 30, 2020, at the age of 66.

Harold was born on September 8, 1954 in Galax, Virginia, the beloved son of Herman and Betty Mullins of Galax Virginia. Harold is survived by his loving sister, Susan Mullins (Sis) and her wife Lisa Kosterboer of Dedham, Massachusetts, and many very dear friends.

Harold attended East Tennessee State University from 1972 to 1976 where he graduated with honors. He was a very proud member of the Sigma Chi Fraternity where he assumed many responsibilities and received numerous awards and accolades. Harold received the highest Sigma Chi and Zeta Omega (ETSU) honor of the Jordan Standard Award of Character and other significant life traits. Harold was a Chapter Advisor and loved to mentor the students. He was extremely proud to mentor a dear friend's son who was initiated into Sigma Chi Fraternity. He initiated a scholarship fund at ETSU to acknowledge and honor a fallen friend.

Harold worked for the US Postal Service for 20 years. Prior to that, he worked at Freedom Hall Civic Center and Delta Airlines.

Moon Pie was a passionate fisherman and camper. He was happiest near the water whether it was the lake or ocean. He found great beauty of God's creation in his outdoors.

Moon Pie valued his family, his pets, and friends more than life itself. He loved his sister dearly and always cherished their vacation together to Bonaire for his 50th birthday where they spent time fishing and scuba diving.

The family would like to extend their gratitude to Dr. Alan Forbush for his care and support of Harold.

A celebration of life will be announced at a later date. The Family of Harold Mullins is in

the care of Tetrick Funeral Home, Johnson City, Tennessee. Online condolences may be made at www.tetrickfuneralhome.com.

In memory of Harold, do a good deed, help someone in need, and be kind to one another.

“ I became a friend through him delivering our mail. We was remodeling a camper and he had to bring package to our door. We started talking camping and he would tell me places he liked to camp. He was a very sweet person and I will miss seeing his smiling face and wave as he would deliver our mail. Prayers for his family and friends.

“ Harold has always been good to me.. I will miss cutting up with him and giving him a hard time over the smell of his icy hot in the early mornings at the post office. He was a friend to all. I can't believe he is gone , I am so thankful to have gotten to know him !

“ Hard to believe I'll never see Pie again. I'm glad he visited at my booth at the Knoxville fishing show. We had a good visit and then dinner in JC a couple of nights later. We talked about what he was going to do in retirement. Great guy and friend. All honor to his name.

“ Very dear friend of mine first met him as he worked the door at legends. U would just sit with him all night and talk . Later on we worked together at the old holiday inn bar . 7 days a week we had dinner together. We would always split something. He tried to teach me about golf . He loved sports . As the years Passed he took care of me when I needed him . We stayed in touch some . He always called me freaky . He was my freak . I will miss him dearly and will forever remember my sweet friend . He was a great person . To know him was a gift .
