“ We are sorry for your loss and are praying for you. Please let us know if we can serve you in anyway.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Psalm 23:4

“ My mother, Ruth Fields Hampton, was the sister of Hurley Davis' wife, Margaret. I am Ruth's youngest child
Unfortunately, I only saw and talked to Uncle Hurley a few times, but he made a big impression on me -- a very positive one. I saw a man who dearly loved his wife and his family. I think Uncle Hurley and Aunt Margaret were just teenagers when they got married. I'm sure that they had their share of challenges just like everyone does. But his love and respect for Aunt Margaret was inspirational. Uncle Hurley brought out the best in people around him. He made everyone smile. I cherish my memories of him. Blessings to the family.

“ My words are inadequate at the loss of your father, grandfather and great grandfather. But please accept our deeply heartfelt sympathy. I echo the words of my sister, Jan Hampton Principato. We will cherish our memory of Uncle Hurley, always. It was such an honor to know him, and we appreciate the kindness he showed us. I?m so sorry he is gone. His sister-in-law, Ruth, and her husband William Hampton also passed away during the month of December. I will always remember with gratefulness, that even though the weather was brutally cold, Uncle Hurley attended both their burials.

Visits with Uncle Hurley would include interesting stories about his youth and events in his life. I?m sure he will never be forgotten, because his grandchildren will continue the legacy he started.
