“ She was my neighbor for many years in North Hills and a great lady. When I would walk down to see Bobby , she always had a smile and tried to keep us in line the best she could. Bobby she was one in a million. I'll keep you family in my prayers.

“ Just want you each to know that I'm thinking of you today and wish I could be with you during this time. Cherish the memories that you have and remember Peggy with love and laughter through the coming years. I remember their wedding day-I cried through the

whole service. Rode to the ceremony with Bill and he was a nervous wreck.
Love you all. Carolyn

“ Peggy and I were childhood friends for many years and had some wonderful times together until we became adults and she and Billy moved to Kingsport and the Johnson City and Joe and I moved to Florida and the distance was just to much to visit with each other. I will never forget Peggy as my beautiful, sweet friend of so many years ago .I am so sorry to hear of her death and am sure we will meet up again some day soon and we can get together, laugh and play as we once did. My sympathies to her children and their families that they may be comforted by the sweet memories of their swee and beautiful mother in the lonely days they will face. Blessings, peace and love to each one of you. rest in peace my precious friend.
