“ Mick,

Words cannot express the gratitude that Krystle and I feel for the love you gave my mother. You were a blessing to her in life, and I pray that the memories you've made together will be nothing but a blessing to you for all of the rest of yours. We thank you! We rejoice in the knowledge that you've accepted Christ and been baptized! Truly, we can boast in our hope in the resurrection through our lord Yeshua (Jesus) our Messiah. Love you and may God bless you always, and know that we will see mom again!

“ Michael,

Words cannot express how saddened I am by Penny's passing. She was an amazing wife, mother, sister-in-law, daughter.

She brightened my world by always opening up her heart to anyone that needed it. I always felt so welcome and loved around her.

She was the perfect piece to your puzzle. You two were the most amazing soul mates. Your marriage was one to admire. Truly best friends.

Penny was the sweetest person I have ever met. When I was at my worst point with Mom being in the hospital Penny was the one person that reached out to me and really was there for me. She had lost her Mom and was so helpful to me when I needed it.

We will always miss her. Her southern drawl. Her love for family. Especially her eternal love and devotion for my brother, Michael. Thank you Penny for showing him what true love, marriage, and devotion is all about. You were an amazing lady.

“ Dear Mick,

There are no words that can truly provide comfort for you. We know that when Penny passed, your heart went with her. You were inseparable, and truly lived as one. We are very sad losing her from our family, and can only imagine the hole that has been left in your heart.

Also, you should be very proud of yourself for your complete love and dedication through the years, and most especially for your Immediate role of caregiver. You were an wonderful husband, best friend, and anything she needed you to be.

Please know that we pray someday your heart will heal.

Much love & Sympathy,

Dad & Jan

“ The greatest blessings penny gave me are that she brought me close to God. Because of her I have been talking to him daily for 20 years. She also taught me about family. Growing up my family never said to one another "i love you ".thanks to Penny I try to never end a conversation without saying it to them. Amazingly they always say it back, and sometimes even say it first! Thank you Penny for 23 wonderful years. I love you, Mick.
