“ *It was through Jo, that I met Pete. With both of us being Veterans, it was like old home week when we all got together. He will be missed.*

“ *We are so very sorry to hear of the passing of Pete! He and Jo were so full of life and always on the go! Pete was the guardian of the neighborhood always looking out for everyone and their homes. He let you know if something was amiss and was always quick to lend a tool or whatever he could do to help! He and Jo were both always so kind to our children! And Pete always had a treat for the neighborhood dogs! They were truly wonderful people who will be missed by all who knew them! We are so very sorry for your loss and will keep you in our prayers. “ For the last 17 years I have never seen Pete without Jo by his side. They were wonderful kind and devoted members of our small church. I will miss seeing them together during services. Condolences to their sons as losing both parents like this is so hard. They always had joy in their eyes and pride in their voices anytime they talked about you and the grandchildren. Love you Jo and Pete thanks for being the example of a true Christian for the younger generation like me.

“ We extend to you our deepest sympathies. Pete and Jo were special friends, as they loved and cared for the house we built in Ridgefield. We loved visiting with them and following their travels and activities in the Elizabethton Star. You will be in our thoughts and prayers.
