“ My friend I can never forget what a good friend you where to me! You always had a sense of humor. Everyday I go to work my heart breaks. I look for you but I know your not there! You told me last Sat how much you loved your children n grandchildren. My friend I always cared for you and if needed something I did it. Rest in peace my friend!

“ Shelby and I worked together. We would always talk about our kids and our grandkids. We would vent to each other laughing at things. We would bring surprises for breakfast . And I could go on, but you get the just. Everyone will miss your Big Red.....

“ I'm so honored to have been a part of Shelby's life the past 10 years, and had her as my Mother-in-law for the past 7. Getting in her good graces was not easy in the beginning because she loved and wanted to protect her family. Once I earned her trust, she loved me as one of her own. Except when I made the joke about putting Kenny in a home when he was older. She almost shunned me for that. I wish she could have seen the future accomplishments of her grandchildren. Graduations, Weddings, possible great-grandchildren. She was always so proud of them in anything they did. I wish my little Kenna could have had more time with her. I hope

she knows I will do my best to make her proud, and provide for my family as she did for hers. I'm sure we will feel her love always and she and will watch over and protect us. What a beautiful angel God has gained.

“ I have known Shelby Jean for many years. I always loved Shelby ,she was not only my sister in law but my best friend. She made me some of the best fudge I ever tasted .she taught me how to make it, got that recipe in my head. She was a wonderful mother, friend and cook. I will always remember this sweet angel. God needed a Rose for his garden in heaven and he called Shelby to be that rose. God only chooses the best .I will always hold special memories of her in my heart and mind. Remembering you with love and kindness.
