“ Dear Donna and Spike,  
I'm just remembering that sweet little Stacy who was so eager to learn and always had a smile for you. She had a "funny bone" and an infectious little giggle!! I just can't wrap around the fact that she is gone -- so young and so much more life to live. I am praying for you and I know that besides missing her, you will continue to live your life to honor her memory. Love you and miss you!!
