“ A few years ago at age 19,Susan & I met at work. We both started working the same day in Jax.,Fl. with the telephone co.That was the beginning of a long and grateful friendship.

We even considered ourselves chosen sisters. We stood with each other at our weddings.

I got a head start on a family so we did not get to see each other much. Susan was the only one to keep in touch with me over the years of moving. Even when her and Chuck moved to Tn. we kept in touch over the years. As we matured more God enabled my husband and I to visit her in their home several times. We have had some very very good fellowship with her and Chuck. The first time we came she made the biggest pan of biscuits I ever saw. I thought there was going to be a couple more families. She was an excellent cook. Most of all she was a child of the king, a devoted wife,mother and I never heard her talk negative about anyone.We could talk late at night because we were all up late and I always heard a small cheerful laughter on the other end of the phone. I tried not to call around 11p.m.her time as her devoted son Timothy would be calling as he did every night. Be proud of that Timothy. I will miss her also. I would rather have Susan at Peace and free of the enemy here on earth. She is with the Lord until we all join her. She was a faithful friend and her and Chuck were a unique couple of Gods' plan. I send my prayers for you dear family of Susan. As each day passes the Lord will keep you and help you as he promises he will. He never leaves us nor forsakes us. We pray God bless all of you and keeps you and Susan will wait for you as he planned.
