“ I am very sorry to hear about Mrs. Crowe. She was one of my favorite teachers at RNR. I did not know until I saw her obituary that her daughter Judy Reedy had died, and I am so very sorry to hear about that. I was in Gary and Judy's wedding, and that just seems like yesterday. Prayers for comfort and peace for the family. Mike Baker

“ Though I never had the pleasure of having Mrs. Crowe at D-B, it was an honor and privilege to help take care of her at Asbury. She always knew who I was. I know her soul is happy to be reunited with Coach Crowe now. I will miss seeing her when I return to work, but I know she is at peace now.

“ I was so sad to hear of Wilma's passing. She was such a sweet and generous person. I remember visiting with her and Dan at their home on Wilbur Lake during the summer. Dan and I would sit on the front porch and talk about local and family history, and Wilma made sure that our tea or lemonade glasses were always filled. She was such a joy to be around, and she will be missed by all who knew her.

“ Thank you for sharing that memory.

My aunt was a giver and so precious to me. I will miss her dearly.

She loved her sister very much. Now she isn't in any pain, she has a peace of mind and is free. Walking with Jesus, running with Dan, talking with Judy.

Rest In Peace, Aunt Wilma. I love you forever.
